

Winfree Preschool Newsletter October 2010

Beautiful 3 year-olds!

Dear Families:

We are proud of the adjustment your children are making to school and to new classrooms, teachers and routines. Learning to play with friends, to take turns, to solve problems together and to listen to teachers is hard work. In addition, we are learning classroom rules and how to safely and productively work with blocks, art, science, music, movement and reading materials. Your children are probably tired from their efforts each day. We hope you are pleased with their progress so far.

During the next month, we will emphasize home and family, fall nature experiences, safety and making new friends. Children will be learning about colors and shapes, cooking and farm life with trips to the **Pumpkin Farm**. We are starting to have fire drills, and I'm sure your child will be telling you about how we go outside to practice fire safety. Threes, fours and fives will be having **school pictures** taken this month. The younger classes will have informal portraits taken in classrooms, but class pictures will be done in the spring when children are more settled. Finally, **Betsy "Q"** will be performing for us this month. You will agree that October will be fun filled and exciting.

Parents will also have many events at school. We have an exciting **Parent Meeting planned for October 4** titled, **"Multiple Intelligences: How Your Child IS Smart"**. I hope to see many of you at this exciting meeting. You will also get an early shot at your Christmas shopping with Discovery Toys, and Mary Kay! In addition to our fall parent meeting, we will be holding **parent conferences for families of 3's, 4's and 5's on November 1 and 2**. Child care will be provided during your conference, and we hope you will stop by to **pick up your cookie dough, which is to be delivered on November 1**. We'll also have our wonderful **Scholastic Book Fair** during that entire week.

If you have not yet signed up as a volunteer, feel free to contact your child's teacher so you may be placed on the class calendar. You will love your time at school, and your child will be thrilled to have you here!

God bless each of you, and have a Happy Fall!

Sincerely,

Ginny

Pumpkin Patch Trips Planned

Three and four year old classes will all travel to Chesterfield Berry Farm to pick their own pumpkins, take a hayride, and see many baby farm animals. Classes have scheduled trips on different days, so check your child's calendar to find all the details for his or her class.

Because of strict state regulations about drivers on preschool field trips, classes will meet at the designated time at the Berry Farm. The cost of this trip is \$8.00 per person. All siblings except non-walking infants in baby carriers must pay full price. Please make your check payable to Winfree Preschool in a timely manner so we can have teachers pay with one check. The Chesterfield Berry Farm requires payment with one school check, and they charge an extra fee for families who pay separately at the farm. If your child is sick or you will be unable to attend, please call the school before 9:00 AM if you would like a refund. Otherwise the class will select a pumpkin to bring to your child. Rain cancellations will be made by the farm and families will be notified via phone.

Teacher Requests

Please send your child in comfortable clothing that is easy for him/her to get on and off. Belts are hard for little hands to manage. We will be working on dressing skills, but we would like to avoid frustrating the children. Also, we remind you that "jellies", sandals, "croc" and leather-soled shoes are unsafe on the playground. Children are more likely to slip and fall on climbers and while running with these shoes. Rubber soled sneakers, well fitted and with full heels, are preferred on the playground.

The TLC's of Parenting TEACH All children need guidance LISTEN Encourage your child to express feelings CARE Your child needs your love and support

Toddlers and Twos Note

Parents of toddlers and twos are asked to arrive within five minutes before school is scheduled to begin. These little ones have difficulty waiting in the hallway. Also, while you are waiting, we would appreciate it if you and your child could stand or sit along the wall so the threes, fours and fives who are trying to find their classrooms can see their teachers. Many of the children are reluctant to walk down the hall past a congestion of parents if they cannot see their teacher smiling near the doorway to their class.

Sign up for Childcare for the Parent Meeting October 4!

With our wonderful parent meeting planned for October 4, we have an exciting array of parent vendors who will have products on display for your early Christmas shopping. Come to learn all about many successful tricks to make parenting your preschooler easier. At the same time you may enjoy meeting and fellowship with other parents while shopping for wonderful products. Don't forget to phone the school office (794-1388) to arrange for childcare for your little ones. We will need an accurate count in order to arrange for enough child care workers.

CARITAS Guests to be at Winfree October 9-16

Once again Winfree Baptist Church will be hosting homeless families during the week of October 9 -16. They will be housed overnight in the Commons Fellowship Hall in the main church building. The preschool has been asked to provide lunch items for the guests to take with them when they are bussed back into the city each morning. Watch for a memo with directions on requested contributions.

Scholastic Book Fair

Winfree will be holding its third annual Scholastic Book Fair the week of November 1-5 in the Preschool Building Fellowship Hall from 9:15 to 4:00. Proceeds will be used to expand the Winfree Preschool Library. We hope everyone will come to shop (Christmas gifts?) and support our school! **LOOK FOR INFORMATION TO COME HOME WITH YOUR CHILD.** Please call the school office (794-1388) if you would like to volunteer to help.
